Morpheus Consulting needs you...

Following recent successes for Morpheus Consulting we now need to hire new people to help us to continue to deliver our exceptional track record in driving and supporting business change and transformation programmes.

Our Consulting business operates many trusted Associates who report to our core of permanent staff. Our managers benefit from a competitive salary and very attractive business development bonuses as well as discretionary performance rewards.

As we progress we expect to promote our best managers through our consultant grades up to Director level. If you are an outstanding consulting practitioner with proven Business Development capability and would like to investigate this opportunity, please get in touch. Call MD Ian Pinches now on 07050 605285 or visit our website www.morpheus-group.com/consulting for more information.
